Citibank, N.A. has written the court requesting a stay of the court's opinion and order of March 12, 2015. The March 12th Opinion and Order upheld an earlier order which clarified that the injunction issued in this case prohibits Citibank from processing payments on the dollar-denominated exchange bonds governed by Argentine law.

The court has received plaintiff's response to Citibank's request, and has also received additional submissions from both sides. Having considered all the arguments, and having also considered all factors pertinent to obtaining a stay, the court does not believe that a stay of the March 12th Opinion and Order is warranted.

Therefore, Citibank's request for a stay of the March 12th Opinion and Order is hereby denied.

SO ORDERED.
